Her body was utterly shattered But by the hand of Almighty God Was fused together making it better than new As you read her powerful testimony there is no doubt that a miracle occurred. Lisa takes you on this journey and reflects on her miracle that started one day in November and came to fruition in March. Lisa's life altering experience sheds light on the necessity of a healthy gut. The delicate balance between acidity and alkaline is vital to the well-being of our bodies. Her insight gives a view of the church and how we are now under 'grace.' We are in a period of time known as 'the church age.' It is the 'final age' before Jesus returns to this earth. What a wonderful, exciting time to be alive; to be the last days people, much like the 1st century church, here and now in the 21st century.
